Coming from south, exit from A14 highway at **Cerignola Est** gate and then keep following indications for **Manfredonia/Zapponeta/San Giovanni Rotondo**. Once after Manfredonia, follow indications for **Mattinata/Vieste**.

Once in Vieste, get across the town and take the countryside road **SS89** (not the seaside SP52) following **Peschici** directions.

Keep on the SS89 and, about 150 meters after **Km 100**, take the small road on the left.

Keep on that road and turn left on the first asphalt road, just before the big plastic greenhouse in the next picture. After 150 meters then, take the first small path with no asphalt on the right.
